

About Aero Express

Aero Express is a company that provides logistics customs clearance services for large cross-border e-commerce sellers and logistics providers. Since the establishment in 2017, we have been deeply involved in the European cross-border logistics and customs clearance business. We have been adhering to the purpose of providing customers with efficient customs clearance services and streamlined logistics and transportation. The company is headquartered in China. In The Netherlands, we have branches in Schiphol and Maastricht. Our sister companies are in the United States, Britain, France, Germany, Italy, Switzerland and other regions, which created a comprehensive logistics network worldwide. With professional customs clearance experience and reliable transportation services, the company has gradually grown into an international logistics company with a professional team.

To support our fast-growing company, we are looking for **Customs Declarant**.
